Dr. Marcos Alvarez
Director, Human Resources
New York School of Nursing
456 Career Ave
New York, NY 10011

Dear Dr. Alvarez:

I am submitting my attached resume for consideration for the Nursing Instructor position you have advertised on Indeed.com.

I am writing to apply for the position as a Nurse educator at New York School of Nursing. With my sense of confidentiality, education delivery expertise and 10 year experience in staff/patient advocacy, I am confident that I am the ideal candidate for this opportunity.

Developing and implementing core nursing education systems is my specialty as I pay special attention to individual student nurses. My expertise lies in coaching new nurses in an effective fashion while managing performance evaluations and growth plans.

The plans that I devise are centered around systematic learning experiences which in turn are based on needs assessments. I have a reputation for preparing work-ready nurses who require minimal supervision. Additionally, I am well-acquainted with supervising student nurses especially during their first real-time work assignments.

Should you have any questions or require additional information, please contact me at your convenience. I look forward to hearing from you to schedule an interview. Thank you in advance for your time and consideration.

Sincerely,

Jane A Jobseeker
